Temperance was advocated by Repre sentative Hale, of Tennessee, in an address before the Rechabites at their hall.

WEATHER CONDITIONS.

U. S. Dept. of Agriculture, Weather Bureau, Washington, Wednesday, Feb. 20, 1907—8 p. m. Snow has set in along the New Jersey coast and Southern New England, due to a depression that is moving northeastward over the Atlantic close in shore. In the Lake region snow has also fallen as a result of the development of an area of low pressure period of about a week of temperatures above freez-

Fair weather is probable Thursday and possibly Friday in eastern districts. In the Middle Mississtippi and the Lower Missent ralleys snow is indi-cated for Thursday, and it is probable that the snow will extend into the Ohio Valley and the Lower Lake region Friday. Colder weather is indicated for the areas of snowfall.

The winds along the New England and Middle At-

lantic coasts will be fresh, possibly brisk, north to west; on the South Atlantic coast fresh northwest-Steamers departing Thursday for European ports will have fresh north to west winds and cloudy
